AGRICULTURE IRRIGATION EARTH MOVING

AP FOLDABLE GRADING BOX 110

Technical specifications

Type	Blade width mm	Foldable	Number of wheels	Necessary power hp	Weight kg
KB 110/400-265	4000	hydraulically	4	100 / 200	3000
KB 110/450-265	4500	hydraulically	6	120 / 220	3500
KB 110/500-265	5000	hydraulically	6	140 / 240	3600
KB 110/600-265	6000	hydraulically	6	160 / 260	3800

Standard equipment AP foldable grading box 110:

- Height of blade 110 cm
- Electric/hydraulic proportional control
- Hydraulic blade adjustment
- Hydraulically foldable wheelset
- Hydraulic locking of the wheelset
- Hydraulically foldable to 265 cm
- Hydraulic central double slope adjustment
- Mechanically adjustable support skids
- Tandem wheelset with tires 380/55-17
- Disassembling Hardox 500 knives
- Lighting

Extra's:

- Grader function
- Laser control
- GPS or LPS control

Technical specifications

Type	Blade width mm	Foldable	Number of wheels	Nec. power kw / pk	Weight kg
KB 130/450-265	4500	hydraulically	4	150 / 250	5210
KB 130/500-265	5000	hydraulically	6	200 / 300	5600
KB 130/550-265	5500	hydraulically	6	250 / 350	6200
KB 130/600-265	6000	hydraulically	6	250 / 350	6300
KB 130/700-265	7000	hydraulically	6	250 / 400	6660

Standard equipment AP grading box 130:

- Height of blade 130 cm
- Electric/hydraulic proportional control
- Hydraulic blade adjustment (cutting angle)
- Hydraulically foldable wheelset
- Hydraulic locking of the wheelset
- Hydraulically foldable to 265 cm
- Hydraulic central double slope adjustment
- Mechanically adjustable supports kids
- Tandem wheelset with tires 500/50-17 (KB 130/700 : 560/60-22.5)
- Disassembling Hardox 500 knife
- Lighting

Extra's:

- Grader function
- Laser control
- GPS or LPS
