

1100cc Sporty All-Terrain Vehicle

FALCON 1000-4s

Description

The Falcon 1000-4s brings the same CFMoto 1000cc twin-cylinder performance as its 2-seater sibling, but in an extended four-seat chassis for group adventures. With serious ground clearance, 59kW of EFI power, and premium suspension geometry, it's built to handle passengers and payload with ease.

Whether you're touring the wild or running trails with the crew, the Falcon 1000-4s delivers comfort, style, and control for every seat.

- 4-seater design for family or team rides
- 1000cc V-twin CFMoto engine with EFI
- AT28 tyres for maximum traction
- Comfortable layout with performance-grade suspension
